

2nd Global Conference on Material Science and Nanotechnology

Theme: Pioneering Discoveries in
Material Science and Nanotechnology

 **April 13-15, 2026**

 **Paris, France**

Scientific Sessions:

- AI in Nanotechnology
- Structural Nanomaterials
- Biomedical Nanodevices
- Aerospace Nanomaterials
- Renewable Nanomaterials
- 3D Printing Materials
- Nanocatalysis
- Computational Materials
- Surface Engineering
- Nanoelectronics
- Biomedical Biomaterials
- Nanophotonics
- Material Characterization
- Nanocoatings and Films
- Graphene and 2D Materials
- Materials Science and Engineering
- Nano-manufacturing
- Biomaterials and Healthcare
- Polymeric Nanomaterials
- Quantum Nanomaterials
- Energy Nanomaterials

For more info on conference topics please visit: <https://worldnanotechnologycongress.com/scientific-sessions>

For In-person Participants:

- Access (Entry) to all conference sessions, poster presentations
- Conference kit including name tag, program booklet and Abstract Book
- 2 Coffee breaks and Lunch for all the conference days
- Certificate accreditation from Organizing Committee

For Virtual Participants:

- Access to all Presentations
- E-Abstract Book and Program
- E-Certificate for Presentation and Participation

To register: <https://worldnanotechnologycongress.com/register>

Important Dates:

Abstract Submission Opens: **June 02, 2025**
Registration Opens: **June 09, 2025**

	Academia	Business
Student	\$399.00	\$499.00
Online presentation	\$399.00	\$499.00
Delegate	\$499.00	\$599.00
Poster Presentation	\$599.00	\$699.00
Oral Presentation	\$699.00	\$799.00

Overview:

The 2nd Global Conference on Material Science and Nanotechnology (GCMN 2026) will be held from April 13-15, 2026, in Paris, France. This international platform is dedicated to advancing innovation and collaboration in materials science and nanotechnology. GCMN 2026 brings together researchers, engineers, industry professionals, and academic leaders to exchange groundbreaking research, cutting-edge technologies, and transformative applications. Join us in Paris to connect with global experts, share knowledge, and explore the latest trends shaping the future of advanced materials and nanoscience. Together, we strive to build a more sustainable and high-performance technological world.

Call for Papers

We invite participants to showcase their research and discoveries by submitting abstracts for consideration in the scientific sessions. A standardized submission template is available on the "Abstract Submission" page of the conference website. All accepted abstracts will be included in the extended abstract book, which will be available online and distributed to attendees at the conference.

For Online Abstract Submission:
<https://worldnanotechnologycongress.com/abstract-submission>
